

Word wall 2

he

we

all

was

so

be

me

she

Please can you learn to read these red words in and out of order!
They are words which you can't sound out - they just need to be
learnt visually.

When you have learnt to read them all, practise spelling them too!

We read these words as part of our reading curriculum and when
your child is confident reading them all, go on to our class page to
find the next ones.
