

Welcome to Year Two Rabbits Class!

Miss Fisk is available most afternoons after school to address any questions you may have, or you can make an appointment with the office. Please do make use of Class Dojo for general queries. It can also be used to update the adults of absences, but the office will still need to be contacted by yourselves.

Our class page will have regular updates of termly learning.

On our class page you will also find our timetable. In order to ensure that children get the most out of the curriculum, we ask that they bring in their swimming kit, as well as their PE kit. The PE kit will need to include shorts, blue T-shirt, spare socks, trainers, plimsolls, tracksuit/jogging bottoms and top for outside. Children will also need Outdoor Learning clothes consisting out of tracksuit/jogging bottoms and top, spare socks, which you wouldn't mind for the children to get muddy, as well as wellies. Please ensure that ALL items of clothing are labelled.

We ask that children read at home at least five times a week and that parents, carers or older siblings sign their reading journal. We will try our best to check the books on a daily basis and will award dojos for those children who have read their book the previous day.

Children don't need to complete their home reading book within one evening, especially if they've had a long day. On the days that children don't read, we ask that somebody reads a story to them as this will help to enrich their vocabulary.

Reminders:

Children need to bring in a water bottle, jumper and raincoat on a daily basis whatever the weather. They will have access to their water bottles throughout the day and they may also need their raincoat, especially since our curriculum has an emphasis on outdoor learning. It is very important that children bring in a book bag every day as this will help that letters, books, reading journals and homework books don't go missing.

We are looking forward to an amazing year of learning ahead of us and working with such wonderful children.
