Dear parents/carers,

It gives me great pleasure to announce that Midfield Primary School was judged as Outstanding in all areas during the recent OFSTED inspection. The report can be downloaded from our website:

This is testament to the whole school community! Staff and governors are extremely committed and passionate about our children and this shone through our three days of inspection. We were under immense scrutiny and I can guarantee you, what the inspectors saw was every day practice at Midfield which will continue at the very highest standard.

The school has been on a journey over the years and has improved year on year. We are very proud to be the only school in the area to have an Outstanding judgement. Of course this could not have been possible without our lovely pupils who work hard and with the support and care from their amazing teachers continuously strive for excellence. Pupils who spoke to inspectors came across as being very confident, articulate and most importantly happy learners. It was very emotional for managers listening to what the inspectors had to say about their behaviour, manners and positive attitudes.

Finally I would like to thank parents for your support over the years and in believing that Midfield is an outstanding school.

Yours sincerely,

Mrs G Sesli
Executive Headteacher
