

## Maths

<b>+</b> plus altogether total Find the sum of...	<b>add</b> how many more than increase count on	<b>-</b> find the difference count back take away	<b>subtract</b> minus less than decrease
<b>x</b> times lots of groups of	<b>multiply</b> lots of product of	<b>÷</b> share equally share groups	<b>divide</b> share equally share groups

The children will build on their 4 operation skills and learn about

Operation	Inverse Operation
$+$	$-$
$-$	$+$
$\times$	$\div$
$\div$	$\times$

Inverse Calculations. They will learn that INVERSE means OPPOSITE.

## English

The children will look at a variety of non fiction sources in order to research fun facts about Farm Animals before their trip. They will be encouraged to look for "safe informative" websites in order to "Stay Safe" on the Web.

### Research Steps

## Science

The children will look at the human body and the skeleton. They will build their own skeleton and also try and identify a

variety of different animal skeletons

## Topic Based Learning

The children will be learning around the below books in regards to our farm topic. We will be reading,

watching, and uses our senses to explore these different books.

# Term 1

## Down on the Farm

## The Arts

The children will look at a variety of different Art and sensory techniques to make farm animals. They will then make a display to predict what they might see Down On The Farm.

## PSHE

The children will focussing on the Zones of Regulation and helping themselves to recognise which Zone they are in.

The Zones of Regulation			
<b>Blue Zone</b> cool relax moving slowly	<b>Green Zone</b> happy calm learning ok listening ready to learn	<b>Yellow Zone</b> frustrated worried struggling needing help base of some control	<b>Red Zone</b> meltdown angry overwhelmed panic out of control

## The World Around Us

The children will be learning about nature and there world around them. We set up a fruit & veg stool, we visited forest school and also did lots of gardening in the eco garden followed by a story. The children will then learn about where Ice cream comes from before seeing it made at source at Dairy Park Farm.

## Computing Skills

The children will use the computer to research the Farm with JB and Storm. They will have a variety of different activities which will develop their Google Chrome Skills and combine with their independent research and staying safe on the internet.

Christmas Tree Farm 28th September 2022

TRIPS

Dairy Park Farm 12th October 2022
