Science based learning

The children will learn how a STAR is formed.

The Life Cycle of a Star

Fill in the labels. Then, add three stars in the correct stage on the life cycle of a star diagram.

Topic based learning

The children will learn about many aspects of Christmas and festivals. In Tadpoles the books we have explored have been:

Term 2

Christmas

The Creative Arts

The children will cut, paint, glue and create decorations and presents for Christmas. The children will also be learning to play a Jingle Bells on the recorder.

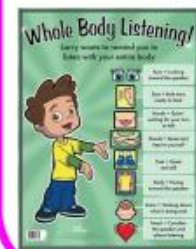

Jingle Bells

Handwritten notes: R R R R R R R R D G A B, C C C C C R R R R A A B A D, R R R R R R R R D G A B, C C C C C R R R R D D C A G

PSHE

All children will continue their work on Zones of Regulation and they will look at "Whole Body Listening!"

Tadpoles will continue to work on dressing themselves and taking care of their belongings.

The World Around Us

The children will explore the world around them by visiting soft play and feeding the ducks. Exploring the environment around them and being part of the community.

Computing Skills

The children will be introduced to Dance Mat Touch Typing, where they will learn the skills of the keyboard with GARY THE GOAT!

They will also be learning to program through "Big Trak" and "BeeBot."
