

Treehouse ARP

29th September 2022

Dear Parents and Carers.

On Wednesday 12th October 2022 we shall be going on a VERY exciting trip to see a real working dairy farm in action! As you know we are studying “Farming” which is this term’s topic and we have an opportunity to visit Park Farm in Brasted to see their beautiful Jersey cows and have a look at where our milk comes from.

We shall be leaving school at 10.00am with a view to meeting at Park Farm at 10.30am. The trip will involve a tour of the farm and the milking parlour followed by a delicious ice cream tasting session, which is made from the cows milk on the farm. We shall then have an exciting ride on the tractor trailer around the farm, to visit the fields and look at some of the other things that they do on the farm before eating our packed lunch in the cow shed with some very curious calves and cows!

The voluntary contribution cost of this trip will be £12.50 per person which will be paid through your parent pay account nearer the time. (I shall let you know when it is on there).

Sadly failure to collect sufficient funds may result in the trip being cancelled.

Please can you complete the permission slip below AS SOON AS POSSIBLE to give permission for your child to come to the Farm with us and please let us know whether you will be accompanying us on this lovely trip and whether you are able to drive there with your child.

Kindest regards

Sarah & The Treehouse Team.
