RE: Beach Trip – Minnis Bay 14th July 2022

I am writing to you to confirm the details of our final Treehouse trip to Minnis Bay. It will be a truly exciting day involving sandcastles, fish & chips and lots of paddling in the sea (Brrrr).

We are aiming to meet at Minnis Bay at 11am in the car park (see address and postcode listed below), whereupon we shall set up camp on the sandy beach for the duration! We shall then have a fish & chip lunch, sandcastle competition and fun & games together with a view to saying farewell to our current year 6 children and make memories that will last a lifetime.

Please can you complete the form below to say whether you are able to drive your child and accompany them on this trip, as we have been asked to request parental supervision where possible as we shall be by the sea.

Please feel free to bring suitable beachwear and beach games, which we can share and don't forget your swimming costumes for those brave enough to take a dip in the English sea with ME (depending on the tide I will see you in the water!)

Don't forget to bring the SUNSHINE!

Kind regards

Sarah Eede and the Treehouse Team.
