

Joshua, Galijus and Ellie love going to Midfield Primary School

What happens when I get to school?

Midfield School

You will be dropped off in the playground, and teacher will take you in to class.

Joshua waves to his dad.

"I wonder what we will be doing today?," Ellie says to Galijus. They are both very excited.

You will hang up your coat, on a peg with your name...put your book bag away... and then start having fun in class!

Are you excited about starting school too?

There are lots of fun things to do at Midfield Primary School...including:

Water Play

Painting

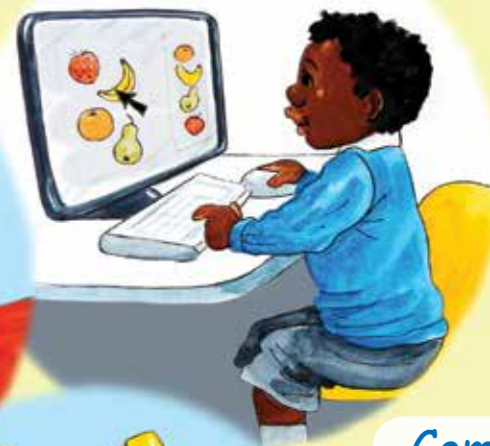

Reading

What will I do at school?

Writing

Computers

Construction

What are your favourite things to do?

How will I make friends?

You will quickly, and easily, make friends by playing with other children in your class. That's how Ellie, Joshua and Galijus made friends with each other.

"I love dinosaurs too," says Galijus. "My favourite colour is green, so I'm painting a green dinosaur."

"This tape is really sticky," says Ellie giggling.

Joshua laughs and says, "...this dough is sticky too. I'm going to make a dinosaur?"

How many friends do you think you will make at school?

What if I'm hungry or need the toilet?

At dinner time, dinner ladies will help you get the food you like to eat.

Ellie and Joshua are having fishcakes, beans and potato wedges. Joshua is helping himself to extra bread.

If you want the toilet, you put your name on to a board to show teacher you are going to the toilet. Ellie is going to the toilet, and her friend Anja has finished, and is washing her hands.

Galijus has a packed lunch, and is enjoying his cheese sandwiches.

What food do you like to eat?

What happens at the end of the school day?

At the end of the school day you will put your jacket on and get your book bag.

Teacher gives Ellie her reading book. "I'm really excited about reading this to my mum," Ellie says to the teacher.

An adult helper helps Joshua fasten his coat. "I've had a great time today," says Joshua. "I can't wait to come back tomorrow."
