Dear Parents/Carers,

I am thrilled to share this incredibly exciting news with you. Following a rigorous inspection process by OFSTED (Office for Standards in Education, Children's Services and Skills), I am delighted to inform you that our school has, once again, been given the highest grade possible and has been judged to be Outstanding!

This achievement is a testament to the hard work, dedication, and collaboration of our entire school community – pupils, staff, parents and governors alike; as well as the efforts of our colleagues across our wider organisation The Spring Partnership Trust. It reflects the commitment to excellence that we strive for every day in providing the best possible education and support for our pupils and families. The Ofsted report praises the outstanding curriculum and quality of teaching and learning across all subjects, highlighting the approaches employed by our teachers to engage and inspire our pupils at Midfield.

Furthermore, the findings recognise the exceptional progress and achievements of our pupils, both academically and personally. In addition to academic excellence, the report acknowledges the inclusive and supportive environment fostered within our school, where every student is valued, respected, and encouraged to reach their full potential. The dedication of our staff to the well-being and development of each child has been duly recognised and commended.

Maintaining an Outstanding rating is a significant achievement for any school, but for us it also serves as motivation to continue striving for excellence in everything we do. Together, we will build upon this success and continue to provide the highest quality education for our pupils, preparing them not only for academic success but also for the challenges and opportunities they will encounter in the future.

I would like to take this opportunity to thank you, our parents/carers, for your unwavering support and partnership in your child's education journey. Your involvement, encouragement, and engagement play a crucial role in the success of our school, and we are immensely grateful for your ongoing support.
