

Homework Passport
Year 1 – Summer TERM

Literacy*

Read a selection of short poems of your choice. Pick one to learn and recite it to the class.

Your poem only needs to be 4 lines long!

(Parent's or teacher's signature)

Science*

Can you name and talk about some features of the four seasons using a simple table.

What might you wear during each of the seasons?

(Parent's or teacher's signature)

Numeracy*

In term 6 we will be recapping on money. Make some rubbings of the coins that we use in Britain.

Challenge: Go to your local shop. What can you buy for £1. Will you get any change?

(Parent's or teacher's signature)

Experience*

Write a recount about a special visit or experience you have enjoyed i.e. visiting the park, visiting your cousins.

Use photographs and illustrations to help you explain. Have you used adverbials of time and conjunctions?

(Parent's or teacher's signature)

Literacy

Investigate adding the prefix –un and the suffixes –ing, -ed and –er to root words. E.g. walk, walking, walked, walker.

(Parent's or teacher's signature)

ICT

Use an art programme of your choice e.g. paint, to draw a picture. Give it a title, label it and add a caption.

Challenge – write some facts about your picture under sub heading. You could use bullet points.

(Parent's or teacher's signature)

Topic

Do some simple research on the Iron Age. Why is it called the Iron Age? Write one or two things down to describe what daily life was like during the Iron Age.

(Parent's or teacher's signature)

Numeracy

Write your own 1-step word problem involving addition and subtraction e.g. I have 10 apples and I buy 10 more. How many apples do I have altogether?

Challenge: Can you write a 1-step word problem which involves multiplication and division?

(Parent's or teacher's signature)

8 achievements – GOLD AWARD

6 achievements – SILVER AWARD

It is expected that all pupils will achieve at least these 4
